

Gift of the ArtQ Experience

Available anytime.

A little art.
A curious question.
A moment to wonder.
An experience to enjoy.

Do you know someone who could use a gentle reminder? Are you someone who'd rather give an experience than more stuff? Fill out the form below for everyone you'd like to gift, and choose a length for each: a taster month, a season, or a full year. (Longer tends to land deeper, but any length is a real gift.)

Gifting more than five people? Fill out a second form. I'll combine everything into one invoice.

This is a one-time gift: no auto-renewal, nothing more to pay. Let your recipients know to watch for a text from What IF Magic at 833-846-2521. A heads-up helps it stand out!

☐ I've double-checked the mobile number(s). I understand each recipient will get one text from What IF Magic at 833-846-2521 and will only start receiving cards if they reply to accept.

When you're done: save this filled-in PDF (use Download or Save, not Print), then email it to choice@whatifmagic.com.

Prefer paper? Print it, fill it in by hand, and email a photo. I'll send one invoice for your whole gift.

How It Works

Just fill in the details: your info, and the name, mobile number, and gift length for everyone you're gifting, plus a personal note if you like. You'll get one invoice covering your whole gift, one recipient or several, paid once upfront, with no recurring charge to you.

Once it's paid, I'll personally send each recipient an ArtQ Text Card invitation to opt in (standard message and data rates may apply). From there, they'll receive the very same ArtQ Cards you do, three times a week (Tuesdays, Thursdays, and Saturdays), with direct, private access to me through text if they ever want to reply. What IF that gives you another connection point?
